Destination Information

London is the capital of the United Kingdom. The city boasts four world heritage sites; the Palace of Westminster, the Tower of London, the historic settlement of Greenwich and the Royal Botanic Gardens of Kew. London is one of the world's leading business, financial and cultural centres and its influence in politics, entertainment, media and the arts contributes to its status as a major global city for business and leisure visitors.

A few Program Highlights

At Ovation UK we would be thrilled to show you the best of what our impressive city of London has to offer, starting with the world famous Buckingham Palace which is one of the Royal Residences of Queen Elizabeth II. After that you could board one of London's red buses and experience a city tour with a qualified Blue Badge Guide.

After a busy day of sightseeing we would encourage you to rest your feet but not your eyes as you are served a fantastic dinner whilst cruising down the River Thames passing even more of London's famous landmarks.

Should that not be enough for you, how about popping along to the Natural History Museum or taking a couple of hours wine tasting in the vaults of Vinopolis, so much to do, so little time.....
