Destination Information

The heart of Europe, the second happiest country in the world, the “green and environmentally friendly” country..... Switzerland has much more to offer than chocolate, mountains and cheese. Pamper yourself and enjoy this secure country where high peaks and immaculate lakes live in perfect harmony with modernity and technology. Our cities and resorts are easily accessible from all over the world: we will bring you from palm trees to glaciers within forty minutes. Four languages (five if we consider that most Swiss people speak English), three cultures, two offices, one country....welcome to Switzerland!

Unique/Popular Venues:

Chillon Castle - Occupied since the Bronze Age, the Castle of Chillon is the result of several centuries of constant building, adaptations, renovations and restorations. The rocky island on which the castle is built, was both a natural protection and a strategic location to control the passage between northern and southern Europe

Zermatt & the Matterhorn - Zermatt, at the foot of the majestic Matterhorn, is a world without modern cars and traffic. Only horse drawn sleighs, carriages and electric cars are allowed. The Matterhorn, Switzerland's most famous landmark is considered by many true mountaineers to be the peak of all peaks

A Few Program Highlights

Golfing on a glacier – A breath taking helicopter trip takes you over the Alps before landing on a glacier for a unique golfing experience. Champagne and gourmet food to follow for the well deserved lunch!

Train ride to the top of Europe - Discover the highest railway station in Europe by travelling in your private chartered cogwheel train up to 11,500 ft! Welcome drink will be served in the ice cave of the largest glacier in Europe

Chocolate making course - How does simple cocoa seed turn into one of the most delicious chocolates? Follow the steps of your chocolate master and taste the result at the end of the course!

Bacchus evening in castle - Did you know that the God of wines' winter home is in Switzerland? For your farewell event, experience a perfect gourmet evening in a sumptuous historical castle...and invite Bacchus to your table!
